Why Medical Grade?

We are proud to offer technology-based, medical grade skincare products that are formulated with a synergistic approach to ensure the highest quality and aggressive results!

- High concentrations of ingredients • Extensive testing • Synergistic effects •

When you see these seals, it is a guarantee our products are free of parabens, sulfates, hormones, formaldehyde, among many other commonly known irritants.

We offer an extensive range of products

- Anti-Aging • Acne • Skin Lightening • Sun Protection • Body •

What does medical grade mean?

Medical grade means we formulate our products with the highest concentrations safely available to use with a physician-guided approach to treatment.

Our products undergo extensive testing to ensure the highest quality, efficacy, and stability. These formulations are also synergistic, meaning we do not rely on a single ingredient to combat any dermatological issue, yielding rapid results.

Firming Activator

DESCRIPTION

Employing multiple revolutionary active ingredients, Firming Activator is clinically proven to deliver equivalent results to one injection of collagen filler in just two weeks of regular use.

The combination of copper, proline, lysine, hyaluronic acid, and niacinimide triggers the production of energy in the mitochondria of the senescent fibroblast, safely reactivating collagen I, collagen III, and elastin production. Known as the "youth collagen," collagen III presence naturally decreases starting at age 8 or 9, and is virtually impossible to reactivate. Golden Bamboo Extract and Pea Extract deliver an 85% increase in hyaluronic acid synthesis during an in vitro test, plus a decrease in skin laxity of 50% after four weeks. The result is a painless, topical alternative to injectable fillers and toxins.

In addition to building collagen, Firming Activator is fortified with glycosaminoglycans which preserve and protect the structure of the ECM complex from physical forces like pollution, UV rays and aging; leading to an improvement in the skin's barrier function and a reduction in the appearance of rosacea over a 12 week period.

BENEFITS

- ✓ Reduces wrinkle appearance and volume by 15% in only 2 weeks
- ✓ Quickly delivers equivalent results to one injection of collagen filler
*source website 2013 American Society of Plastic Surgeons
- ✓ Firmness increased by 13 times in 15 days
- ✓ A painless, topical alternative to Injectable fillers and toxins
- ✓ 190% Increase in elastin production after 11 days
- ✓ 179% Increase in collagen I production , and 194% Increase in collagen III production after 11 days
- ✓ 85% increase in hyaluronic acid synthesis
- ✓ 50% decrease in skin laxity after 28 days
- ✓ Improvements sustained after two months of treatment
- ✓ 80% inhibition of MMP enzyme activity (types 1 and 2)
- ✓ Improves the skin's barrier function and shows a reduction in the appearance of rosacea over a 12 week period

DIRECTIONS FOR USE

- Apply 4 to 5 drops onto fingers and smooth over face and neck, avoiding eye area. Allow to absorb before applying additional products. Can be used twice a day or as directed by physician.

HA Collagen Booster

DESCRIPTION

Hyaluronic Acid is responsible for keeping the skin smooth and plump, but naturally over time, the levels found within the skin decrease with age. As a result, the skin begins to dry out and lose its baby-skin smoothness. HA Collagen Booster is specially formulated, featuring our proprietary Transepidermal delivery system, to provide intense hydration, boost the moisture content and defend against moisture loss to promote softer, smoother and more radiant skin. The unique grape extract found within the HA Collagen Booster acts as a powerful antioxidant, effectively protecting both the skin and epidermal skin cells from harmful UV rays and other environmental stressors. The synergistic effect of multiple types of Hyaluronic Acid, employed in this product, provide immediate and lasting hydration levels within the skin, resulting in a more radiant appearance.

BENEFITS

- ✓ Clinically proven to increase hydration levels up to 110% within one hour of application
- ✓ Long-last hydration up to 5 days after application
- ✓ Unique formula improves the appearance of wrinkles, providing an improvement in overall skin tone
- ✓ Light-weight formula that provides superior hydration to the skin
- ✓ Prevents skin damage caused by damaging UV rays and pollution
- ✓ Fights photo-aging of the skin to provide radiant and healthy-looking skin

DIRECTIONS FOR USE

- Apply to face, neck and décolleté immediately before a moisturizer and sunscreen. Allow to absorb before applying additional products. Can be used twice daily or as directed by physician.

AM/PM Nourishing Cream

DESCRIPTION

Specially formulated with cactus and yeast extracts to significantly reduce irritation caused by AHA's and Retinoids. This formula works by down regulating the most important signaling molecule enzymes in inflammation including: COX2, IL-1 α and IL8. This down regulation soothes the skin, removes irritation and reduces redness. AM/PM Nourishing Cream is further enhanced with four different ceramides to restore skin barrier function which helps the skin maintain its natural structure. Maintaining this structure decreases water loss and increases natural moisturizing factors, which hydrates and protects the skin and significantly aids the skin in recovering after exposure to stress.

BENEFITS

- ✓ Reduces stinging and irritation associated with the use of hydroxy acids and retinoids while increasing the NMF (Natural Moisturizing Factor)
- ✓ Provides physical (moisturizing properties) and biological (regulation of the inflammation marker and stimulation of longevity proteins) benefits to the skin
- ✓ Down regulates inflammation enzymes to soothe the skin
- ✓ Ceramides present restore the barrier function of the skin
- ✓ Results in increased moisturization and protection leading to less sensitive and less dry skin

DIRECTIONS FOR USE

- Apply a generous amount to soothe irritated and dry skin as needed. Allow to absorb before applying additional products. Can be used twice per day or as needed to soothe irritation and dryness within the skin.

INGREDIENTS

- Water/Aqua/Eau, Glycerin, Caprylic/Capric Triglyceride, Dimethicone, Cetyl Alcohol, Isopropyl Palmitate, Glyceryl Stearate, PEG-100 Stearate, Stearic Acid, Bisabolol, Stearyl Alcohol, Ceramide NP, Ceramide AP, Ceramide EOP, Opuntia Ficus-Indica (Nopal Cactus) Extract, Saccharomyces Cerevisiae Extract, Tocopherol (Vitamin E), Biosaccharide Gum-1, Allantoin, Phytosphingosine, Cholesterol, Hydrogenated Soy Polyglycerides, Hydrogenated Soybean Oil, Ethylhexylglycerin, Dimethiconol, Panthenol, Sodium Lauroyl Lactylate, Disodium EDTA, Carbomer, C15-23 Alkane, Xanthan Gum, Sodium Hydroxide, Phenoxyethanol

Anti-Gravity Neck Cream

DESCRIPTION

Specifically formulated with the neck and décolleté in mind, Anti-Gravity Neck Cream is an advanced, hydrating emulsion working to defy time and gravity to restructure, as well as tighten and firm the neck's delicate skin. This innovative product effectively brightens pigmentation related conditions, while minimizing fine lines and wrinkles. The numerous peptide complexes, that makeup the Anti-Gravity Neck Cream, revitalize the skin by strengthening the building blocks responsible for keeping this skin intact. Peptides, found within the Anti-Gravity Neck Cream, work efficaciously to stimulate elastin and collagen, improving fine lines and wrinkles, laxity and texture of the skin. Other specialized peptides in this product effectively function as a firming agent to fight against skin sagging, improving resistance to gravity. In addition, a multitude of antioxidants, ranging from Vitamin E and other botanical extracts, protect against free radicals and sun damage. Anti-Gravity Neck Cream works to increase the moisture levels, resulting in smooth, hydrated skin.

BENEFITS

- ✓ Contains a uniquely blended peptide complex that features a "Retinoin-like" activity that promotes and enhances cellular regeneration without irritation.
- ✓ Repairs and strengthens the fragile dermal-epidermal junction, reducing the appearance of fine lines and wrinkles and uneven skin tone
- ✓ Provides an immediate and durable tightening effect
- ✓ Fights against skin sagging and improves resistance to gravity by stimulating elastin synthesis
- ✓ 79% Decrease in the length of deep wrinkles
- ✓ 43% Decrease in the depth of wrinkles
- ✓ 30% Decrease in skin roughness

INGREDIENTS

Dancer's Glow Tanning Foam

RECOMMENDED SKIN TYPES

INGREDIENT HIGHLIGHTS

- Saccharide Isomerate, Salvia Sclarea (Clary) Extract, Tocopheryl Acetate (Vitamin E)

DESCRIPTION

An innovative, streak-free, sunless tanning foam provides buildable color to achieve a natural-looking, sun-safe tan that develops quickly. This tanning foam hydrates the skin through a specialized sugar extract that binds moisture back into the skin, resulting in a radiant glow.

BENEFITS

- ✓ Sun-safe tan without the harmful damage
- ✓ Buildable color for a healthy-looking tan that lasts up to one week
- ✓ Quickly develops within 4-6 hours of application
- ✓ Streak-free, odor-free, lightweight, non-sticky
- ✓ No fake tan smell with our unique botanical blend
- ✓ Easy-to-apply and quick drying

DIRECTIONS FOR USE

- Exfoliate before use. Prior to application, moisturize any dry areas, including elbows, knees, ankles, and feet. For best results, apply foam at your ankles and work up and rub into the skin in circular motions, covering all areas you wish to tan. Wash hands immediately to avoid tanned palms. Allow product to absorb before applying additional products or clothing to prevent staining. Will see results within 4-6 hours but could take up to 12 hours to fully develop. Reapply as desired. Individual results may vary.

Sport Face & Body SPF 47

RECOMMENDED SKIN TYPES

ACTIVE INGREDIENTS

- Zinc Oxide 10%, Titanium Dioxide 5.5%

DESCRIPTION

A broad-spectrum sunscreen, both gentle and lightweight, provides a more natural approach to sun protection for daily use utilizing chemical-free active ingredients. Formulated with only physical sunscreen actives to provide sun protection. Sport Face & Body SPF 47 creates a moisture barrier, preventing water from evaporating the skin's surface, binding moisture back into the skin. Sport Face & Body SPF 47 is formulated with Titanium Dioxide and Zinc Oxide to provide physical protection, which sits on top of the skin to deflect and scatter damaging UV rays. Gentle formula makes this a great alternative for sensitive skin types and even post-procedure skin.

BENEFITS

- ✓ Natural, chemical-free active ingredients make this sunscreen beneficial for all skin types
- ✓ Light weight, fast absorbing sun protection
- ✓ Helps to prevent premature aging and cellular damage of the skin caused by harmful UV radiation
- ✓ Water resistant sunscreen (80 minutes)
- ✓ Free of commonly known irritants such as sulfates, parabens and fragrance

DIRECTIONS FOR USE

- Apply on a clean, dry face in the morning avoiding delicate eye area. Apply 15 minutes before sun exposure. May be used daily. Consult physician before use. Reapply after prolonged exposure, physical activity, perspiration or contact with water.

Carmenique Beauty

Good skincare starts on the cellular level and works its way out, supporting skin health from the inside out. This can only be achieved with medical-grade products. Medical-grade products penetrate through the epidermis to the dermis, where your collagen, elastin, and new skin cells reside, while over-the-counter brands penetrate through the epidermis only. Remember, its not just about one really effective ingredient-its about the right amounts of active ingredients working together applied in proper order that work best for your skin.
